

HTML Sprout App – Privacy Policy

Last updated: 2025-11-28

HTML Sprout is designed to run entirely on your device.
We do not collect, store, transmit, or share any personal data.

1. Information We Do Not Collect

HTML Sprout does **not** collect or process any personal information, including but not limited to:

- Name, email address, phone number
- Location data
- Device identifiers
- Usage analytics
- Cookies or tracking technologies
- Financial information
- Contacts, photos, camera, microphone, or any other device data

Our app has **no sign-in, no account, and no online services**.

2. How Your Data Is Stored

All content you write, edit, or save in HTML Sprout remains **on your device only**.

Your files are stored locally in the app's document storage (on-device filesystem).
We do **not** have access to these files.

3. No Data Transmission

HTML Sprout does **not** send any data to external servers.
There is:

- No cloud storage
- No analytics services
- No advertising SDKs
- No third-party tracking

Everything happens offline.

4. File Exports

If you choose to export or share a file, it is done **only through iOS system share controls** and remains under your control.

The app never uploads or transmits your files automatically.

5. Children's Privacy

Because the app collects **no data at all**, HTML Sprout is safe for users of all ages, including children under 13.

6. Changes to This Policy

If we ever update this policy, we will post the changes here and update the "Last updated" date.
